If you are unable to deliver flowers on your assigned day, it is your responsibility to call one of the other volunteers and get a replacement and then call Margaret McQuiston at St. John's at 323-8597. Please include a Sunday leaflet with your flowers and take a few minutes to visit with the person receiving flowers. Should a pastoral care concern or question arise, please call Miranda at 323-8597. This is a ministry for our sick and homebound and your service, attention, and love are crucial for our parish! Thank you!
